on one person all the varied gifts which are needed to form a great soprano. A volce whose register entities it is claim this rank is of the rarest order. Melodious quality and power, which are not less essential than an extended register, are equally source. Musical knowledge, executive flush and perfect intonation are indispensable; and to these the prime donna should add dramatic force and adaptability, and a lingar measure of personal grace. Bern these rare endowments will not suffice unless they are infantised by the five of genius. By one alone, of living artists, has this high ideal idean reached—by T.P. TITENS
